

InTec LLC - Capability Statement

Introduction

InTec is a *Service Disabled Veteran Owned Small Business* founded in 2004 with headquarters in Fairfax, Virginia. InTec provides Program Management and Systems Engineering and Integration solutions to the Intelligence Community (IC), DoD, DOJ, and Homeland Security. We have extensive experience in enterprise engineering and major Federal acquisitions. Knowledge of the customer, technology and community processes enables InTec to provide best value solutions.

The InTec Management Team has extensive technical and management experience with the Federal government and DoD/IC acquisition programs and operational support.

InTec personnel provide the experience and knowledge needed to deliver the solution on time and within cost. InTec employees average 14 years' experience with many holding advanced degrees and certifications in technical and management specialties. Prior military service for many of our employees is a key ingredient in our experience. InTec can work in any government security environment to support our Nation's needs.
